

Hi,

PFA day 11 test case,

Description	Test Steps	Validation
Add a Shipping Location	1. Navigate onto admin panel -> System -> Shipping -> Shipping Locations 2. Click on Save without populating any information 3. Populate the other mandatory fields	1. Validate the presence of Shipping Location header 2. Validate the error message 3.1. Validate the success message 3.2. Validate the presence of record in the admin panel table 3.3 Validate the presence of record in the DB table
